

Dear parents,

We would like to update you on the progress of our virtual learning program. So far, we completed the first 3 quarters of the academic year and we are in the 3rd week of the final quarter. We would like to confirm that our teachers are on course to complete the remaining small section of the core curriculum of the academic year. Weekly plans have been posted to align with the remaining content through distance learning. Parents who wish to receive any service from the school are welcome to email relevant section heads.

Supervision and monitoring reports from the virtual learning program show a great improvement in the performance and attendance of our students. We want to thank you for this relentless effort of ensuring that your child is attending these lessons. This week, the following adjustments have been made:

Grade 1-12 students will complete all their assigned work with their teachers online. Teachers will supervise their students in this process. There will be no additional homework except for make-up work for students who may need to catch up.

KG section students will continue with the work and activities on Class dojo as posted by the teachers.

Class attendance is being recorded for supervision and follow up purposes.

Most lessons will be recorded on the School Teams site.

Please send all technical issues and questions to our IT staff on it@jishschool.org

The following schedules have been adjusted:

Grade 4-5 Boys' and Girls' Section

CP to Terminale French Boys and Girls.

Class Schedules:

You can access all the class schedules on the school website or on the following links:

Virtual learning schedule for English and French Boys

Virtual learning schedule for English and French Girls

https://www.jishschool.org/news_event/article/42

Parents' Survey:

As we continue through the program, we would like your feedback. Please respond to the JIS virtual learning survey sent to your email or on the link below:

<https://www.surveymonkey.com/r/JISVirtual>

Advanced Placement (AP) Exams:

The school together with the college board shall administer college board AP exams for registered students. The exams shall be online. More information can be accessed on:

<https://apcentral.collegeboard.org/about-ap/news-changes/coronavirus-update>

Additional AP Online classes and review sessions are accessible on:

<https://apstudents.collegeboard.org/coronavirus-updates#free-ap-classes>

Once more, we thank you for your continued support and cooperation during this unprecedented virtual learning program.

Sincerely,

JIS Management
